

Manufacturer: Neopac
Model: Child Resistant Closure and Tube
ASTM Type: IA

Description:
This is a two piece plastic/plastic continuously threaded reclosable closure (Figure 1). This closure is designed for a tube.

Figure 1

The closure is opened by pushing down on the closure and simultaneously turning it counterclockwise (see arrows in Figure 2).

Figure 2

There are raised knobs on the inside of the outer closure and raised knobs on the outside of the inner closure. These knobs lock together when the outer closure is pushed down and turned counterclockwise (Figure 3).

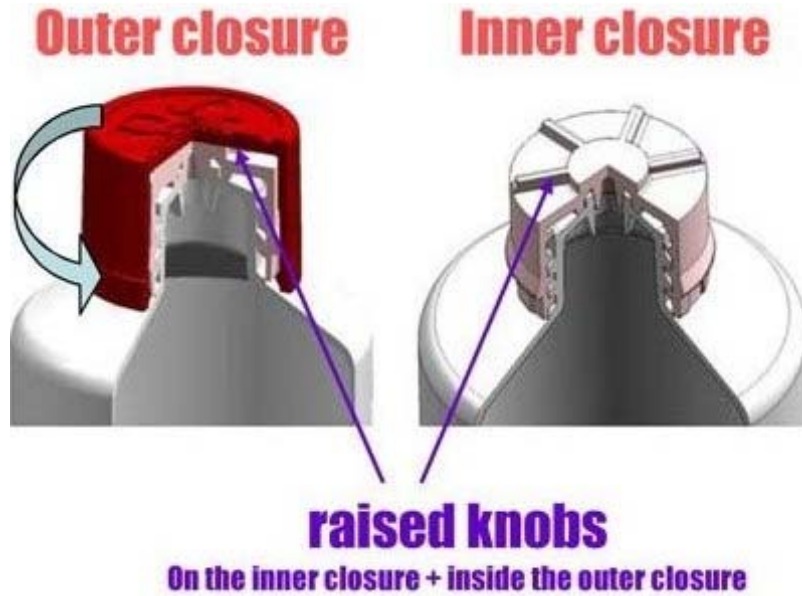

Figure 3

The manufacturer's instructions on the top surface of the closure are pictorial (Figure 4).
