Dear Dr. Austin:

Thank you for the excellent discussion on the Good Neighbor Environmental Board's annual advice letter to President Obama. Thank you again for your service and leadership as Chair of the Good Neighbor Environmental Board (GNEB). The GNEB's dedication and hard work are appreciated.

I appreciate GNEB's continual work to highlight the many critical environmental issues we face along the border between the United States and Mexico. The Council on Environmental Quality is requesting comments from the agencies that are part of the South West Border Interagency Working Group regarding the GNEB 2013 advice letter and anticipates providing GNEB with a response as soon as possible.

Thank you again for your service through your contributions to the GNEB. Thank you to all the GNEB members for their service. I look forward to your continued good work.

Sincerely,
