Preserving Resources

Preventing Waste

# Sustainability within Retail

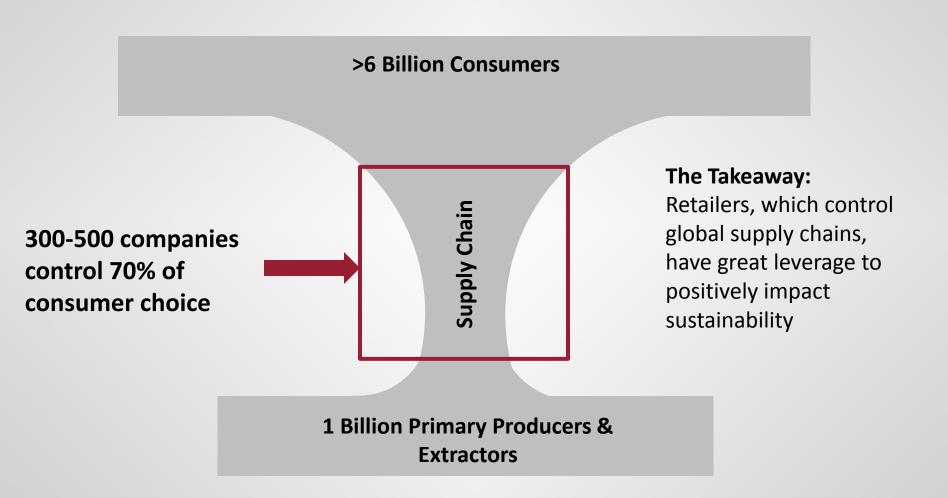

- Retailers are leaders triple bottom line
- Audacious goals
- Measuring performance
- Sustainability is a mandate or a tie breaker
- Going the way of e-business

### Retail's Positive Impact

### EPA SmartWay for Retailers

6

- Valuable toolkit
- Provides transparency
- Consistent protocols for reporting
- Measurements for comparison and goalsetting
- Single program independent from retailers
- Real fuel savings and emissions reductions
