Paige,

Attached are documents relating to:

2. MAR 2008 EXPLO mysterious fire on S-line building 1619. Cause of fire was unknown. No property damage.
2. JAN 2009 EXPLO S-line fire originated with their demil operation resulting in minor damage to one structure.
3. JAN 2012 EXPLO air burst in cryofracture operation; no injuries or property damage.
4. OCT 2012 EXPLO igloo with approximately 125,000 lbs of smokeless powder exploded resulting in destruction of igloo and damage to 10 railcars.

I also believe we have some photos of the Jan 09 incident that I will send shortly.
