I. STATUTORY AUTHORITY

1. This Request for Information is issued to Brownsville Municipal Authority ("Brownsville") under the authority vested in the United States Environmental Protection Agency ("EPA") by Section 308 of the Clean Water Act ("CWA" or "Act"), 33 U.S.C. § 1318.
2. EPA is authorized under Section 308 of the CWA 33 U.S.C. § 1318, to require owners and operators of point sources to establish records and make such reports as may be necessary to carry out the purpose of the Act, including but not limited to:
 - (a) Developing or assisting in the development of any effluent limitation, or other limitation, prohibition, effluent standard, pretreatment standard, or standard of performance under the Clean Water Act;
 - (b) Determining whether any person is in violation of any such effluent limitation, or other limitation, prohibition or effluent standard, pretreatment standard, or standard of performance;
 - (c) Any requirements under Section 308 of the Clean Water Act; and
 - (d) Carrying out Sections 305, 311, 402, 404, and 504 of the Clean Water Act.
3. Failure to provide the requested information or providing misleading or false information may subject you to civil and/or criminal sanctions pursuant to Section 309 of the Act, 33 U.S.C. § 1319.

II. DEFINITIONS

4. The terms "you" and "your" herein refer to Brownsville Municipal Authority.
5. The terms "document" and "documents" shall mean any format that records, stores, or presents information, and includes writings, memoranda, records, or information of any kind, formal or informal, whether wholly or partially handwritten or typed, whether in computer format, memory, or storage device, or in hard copy, including any form or format of these types. If in computer format or memory, each such document shall be provided in a translated form useable and readable by EPA, with all necessary documentation and support. All documents in hard copy should also include: (a) a copy of each document which is not an exact duplicate of a document which is provided; (b) each copy which has any writing, notation, or the like on it; c) drafts; (d) attachments to or enclosures with any document; and (e) every other document referred to or incorporated into each document.
6. "Day" shall mean a calendar day. In computing any period of time under this 308 request, where the last day would fall on a Saturday, Sunday, federal or state holiday, the period shall run until the close of the next business day.
7. "Plant" refers to the Brownsville Municipal Authority.
8. The "Permit" shall refer to the Pennsylvania Department of Environmental Protection ("PADEP") NPDES Permit No. PA0022306.
9. "DMRs" shall refer to discharge monitoring reports.
10. "Waste haulers" shall refer to any person or entity that transports waste to Brownsville for the purpose of treatment.
11. "Brine" shall refer to any fluid generated by drilling process.

III. INSTRUCTIONS

12. Provide a separate narrative response for each question and for each subpart of each question set forth below. Precede each answer with the corresponding number of the question to which it responds.
13. Identify each person responding to any question contained in this Information Request on your behalf, as well as each person consulted in the preparation of the response.
14. For each question, identify each document consulted, examined, or referred to in the preparation of the response or that contains information responsive to the question, and provide a true and correct copy of each such document if not provided in response to another specific question.

15. Indicate on each document produced in response to this Information Request, or in some other reasonable manner, the number of the question to which it corresponds.
16. If tabulation is requested, provide the requested information in tabular form in hard copy and also in tabular form in an electronic spreadsheet file Excel, or compatible format.
17. If requested information or documents are not known or are not available at the time of your response to this Information Request, but later become known or available, you must supplement its response to EPA. Moreover, should you find at any time after submission of your response that any portion is or becomes false, incomplete, or misrepresents the facts; you must provide EPA with a corrected response as soon as possible.
18. The following certification must accompany each submission provided pursuant to this request and must be signed by a person authorized to respond on behalf of Brownsville:

"I certify that the information contained in or accompanying this submission is true, accurate, and complete. As to the identified portion(s) of this submission for which I cannot personally verify its truth and accuracy, I certify as the company official having supervisory responsibility for the person(s) who, acting under my direct instructions, made the verification, that this information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
