Re: *Matter of Trans Energy, Inc. & Mr. Perry Keaton*, Dkt. No. CWA-03-2013-0056DW (Keaton Impoundment Site)

Dear Sirs:

Please find enclosed Administrative Compliance Order, Dkt. No. CWA-03-2013-0056DW, which the United States Environmental Protection Agency (EPA) is issuing to Trans Energy, Inc. and Mr. Perry Keaton for violations of Section 301(a) of the Clean Water Act, 33 U.S.C. § 1311(a), at the Keaton Impoundment Site.

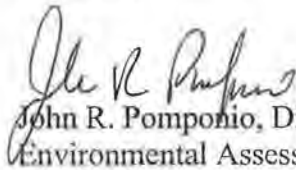

Section 301(a) of the Clean Water Act prohibits any person from discharging a pollutant from a point source to a water of the United States without specific authorization, and liability under the Clean Water Act is joint and several. Section 309(a)(3) of the Clean Water Act, 33 U.S.C. § 1319(a)(3), authorizes EPA to issue an Administrative Compliance Order to any person who is in violation of Section 301(a) of the Act. Specifically, based on its inspection conducted June 21, 2012 and on other information available to it, the EPA has determined that persons acting on behalf of and/or at the direction of and/or with the authorization of Trans Energy, Inc. and Mr. Perry Keaton discharged dredged and/or fill material to waters of the United States without a permit issued by the U.S. Army Corps of Engineers pursuant to Section 404 of the Clean Water Act, 33 U.S.C. § 1344. The enclosed Order notifies Trans Energy, Inc. and Mr.

Perry Keaton of these violations and describes actions that will return Trans Energy, Inc. and Mr. Perry Keaton to compliance. The Order will become effective 30 (thirty) days after receipt.

Additionally, EPA is authorized under Section 308(a) of the CWA, 33 U.S.C. § 1318(a), to require owners and/or operators of point sources to provide certain information, establish records and make such reports necessary to carry out the objectives of the Act. Pursuant to this authority you are directed to provide EPA the information requested in the attached Order. You are entitled to assert a claim of business confidentiality covering any part or all of the information submitted, in a manner described in 40 C.F.R. § 2.203(b). Information subject to a claim of business confidentiality will be made available to the public only in accordance with 40 C.F.R. Part 2, Subpart B. Unless a claim of business confidentiality is asserted at the time the requested information is submitted, EPA may make this information available to the public without further notice to you. This inquiry is not subject to review by the Office of Management and Budget under the Paperwork Reduction Act of 1980, 44 U.S.C. Chapter 35. (See 5 C.F.R. § 1320.3(c)).

If you have any questions regarding the Order, or have information clearly demonstrating any errors in its Findings, please contact Stephanie Andreescu, Office of Environmental Programs, at (215) 814-2747, or your attorney may contact Stefania D.
