U. S. Environmental Protection Agency, Region 6

Presents to

Atlas Missile Silo 4

Ready for Reuse Certificate

The New Mexico Environment Department (NMED) and United States Environmental Protection Agency (EPA) Region 6 together have determined that the former Atlas Missile Silo Site 4 surface property, located in Chaves County, approximately 20 miles east of Roswell, New Mexico, is Ready for Reuse. A Ready for Reuse Determination is an acknowledgement that environmental conditions on the surface property are protective of human health and the environment.
