NETI eLearning Center Account Registration Instructions  
(August 16, 2016)

Reminder about EPA Passwords
All EPA passwords expire in 90 days. After that, passwords must be reset. This includes Adobe Connect passwords associated with for accounts on the NETI eLearning Center webpage. Per EPA password protocols, passwords must be 8 to 16 characters, have at least one capital letter, and one number.
Questions may be addressed to NETI at NETI@epa.gov or the EPA Call Center at 1-866-411-4372.

There are two types of NETI eLearning Center accounts: one for EPA staff and one for external stakeholders (state, local, tribal personnel, etc.).

NETI eLearning Center Accounts for EPA Employees

All EPA employees have an Adobe Connect Account. To use your account you need a Username (your EPA email address) and a Password. **If you already have an Adobe Connect Password, then no further action is required.** Use your credentials to log into Adobe Connect and identify the course or courses you want to take in the Training Catalog. EPA employes who have account or password questions should contact NETI@epa.gov or the EPA Call Center at 866-411-4372.

To reset your Adobe Connect password

1. Click on *reset your password* on NETI eLearning Center webpage and follow the instructions.
2. Enter your "E-mail" address and click on the "Submit" button.
3. You will receive an email with a link to the password reset page. Type in your new password, confirm it, and then click on *Submit New Password.* You will receive a confirmation that the password has been set. Your new password is effective immediately.
Non EPA Users (Federal, State, Local, and Tribal personnel or authorized users)

Non-EPA users will register for their NETI eLearning Center account in a different way. Complete an account registration from that is submitted to NETI for approval. The account allows you to register for and take courses hosted on the NETI eLearning Center and other websites that use NETI courses.
