

**“Burn Wise :15”**

**ANNOUNCER:**

If you use a wood stove or fireplace, burn only dry, seasoned wood. And to be safe, you should have a certified professional inspect your wood-burning appliance and chimney annually.

**Learn before you burn. Visit [e-p-a dot gov slash burnwise](http://epa.gov/burnwise).**

Brought to you by the U.S. EPA and \_(STATION CALL LETTERS)\_.
