# Introduction

Overview of UWFP and the Delaware River Partnership CoPs - Sarah Low / Michael Leff, USDA

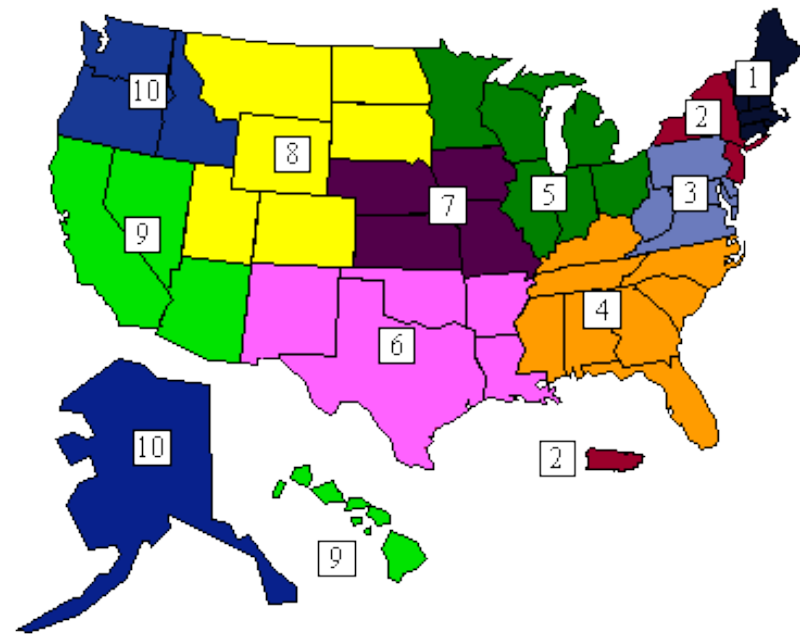

Objective of UWFP Brownfields CoP  
Frank McLaughlin, NJDEP  
Simeon Hahn, NOAA

# What is TAB?

TAB is a technical assistance program, funded by the USEPA, which is intended to serve as an independent resource to communities and nonprofits attempting to cleanup and reclaim brownfields.

NJIT's TAB program covers communities in EPA Regions 1 and 3.

Refer to EPA's website for other regions:  
[http://epa.gov/brownfields/grant\\_info/tab.htm](http://epa.gov/brownfields/grant_info/tab.htm)  
Kansas State and CCLR

# Who Can Receive NJIT TAB Assistance?

- ✓ State, regional, local and tribal governments interested in brownfields
- ✓ Communities organizations/ nonprofit organizations interested in brownfields

# What are NJIT TAB Services?

**NJIT TAB can provide free assistance throughout the brownfield process, from getting started to staying on track to getting the job done.**

All services must be **aimed at achieving Brownfields clean up and development** and be consistent with Region 1 and 3 programs.

# Examples of NJIT TAB Services

- One-on-One Technical Assistance
- Review , Analysis, and Interpretation of Technical Reports
- Assistance with Procuring Consultants
- Brownfields Workshops
- Community Visioning for Brownfield Redevelopment
- Webinars
