**Re: Clark County Ozone Advance Path Forward Update Submission**

Dear Ms. Bunte:

The Clark County Department of Air Quality is pleased to submit our Path Forward Update as a proactive measure intended to encourage and identify early emission reductions in order to help maintain the 2008 National Ambient Air Quality Standard for ozone. This is a living document, so will be updated as programs are added or evolve.

If you have any questions or need more information, please contact Mike Sword at (702) 455-1615.

Sincerely,

  
Lewis Wallenmeyer, Director
