

Baltimore City: Food Deserts, Brownfields, Supermarkets and Farmers Markets

- Food Deserts*
- Brownfield Sites, 2010
- Supermarkets (Chain Stores)
- Farmers Markets
- Park

* Food Deserts are defined as block groups that are more than 1/4 mile from a major supermarket AND 40% or more of their population's household income is below \$25,000 (roughly 125% of the Federal Poverty Level for a family of four). Source for Poverty Measure: US Census 2000. Distance to a supermarket was measured from the center of each block group, following the street grid to the supermarket.
