Dear Ms. Proctor:

We wish to inform you that the draft Synthetic Minor Source Permit for NuStar Logistics L.P. and the technical support document (TSD) have been completed. The public comment period on the draft permit will begin Wednesday, February 10, 2016, and will end on Friday March 11, 2016. A copy of the draft permit and TSD are enclosed and will be made available to the public for review at the Santo Domingo Library, Sandoval County and on our EPA Region 6 website at: <http://www.epa.gov/caa-permitting/tribal-nsr-permits-epas-south-central-region>.

If there is significant interest in the permit and a request for a public hearing is received, the EPA may hold a public hearing after posting a 30 day notice of the public hearing. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.

Sincerely,

A handwritten signature in black ink that reads "Mark Hansen".
