1 Introduction

The Central Data Exchange (CDX) is a web-based system used for various electronic environmental data submissions to the United States Environmental Protection Agency (EPA). CDX allows users submitting data to EPA to register for the specific program of interest. The CDX system also allows for several offices within EPA to use a common framework where a user can access several different flows to satisfy reporting requirements across multiple offices. More information about CDX is available at www.epa.gov/cdx.

1.1 Purpose

The purpose of this document is to walk through the registration and user profile management processes in CDX, specifically for Pesticide Submission Portal (PSP) workflow submissions. The CDX modernization effort improves the user experience through an updated user interface, as well as streamlined user registration processes for CDX web users, including the migration of user accounts and profiles for users who currently use the system. This document will assist new CDX users register with the CDX system as well as reacquaint existing users with new system processes and registering for PSP.

1.2 Topics Covered

This document will cover the registration process and the MyCDX profile. The sections are described below:

• Section 2 lists the system requirements. This section describes what a user needs to access and interact with the system.

• Section 3 outlines the main CDX navigation. This section guides the user through the CDX screens that do not require a user account.

• Section 4 describes the CDX core registration process. This section introduces a user to the registration process.

• Section 5 describes the additional verification process that takes place for some roles.

• Section 6 details managing user and organization information within CDX.

• Section 7 describes how to manage program services and add EPA OPP Company Numbers.

• Section 8 explains the role sponsorship process.

1.3 Application Support

3 CDX Main Navigation

The following section provides an overview of the pages that are accessible upon first navigating to the CDX Homepage before beginning the registration process.

3.1 Overview

CDX is an application used by EPA programs and various stakeholders to manage environmental data transmitted to EPA to meet EPA reporting requirements. As part of the CDX system, the user registration component is used to facilitate user access to a program. Within the user registration component, program offices have the ability to define the roles and information required by new users to complete the registration process. Based on the program service and role combinations, each program has different information that a user must provide. CDX captures the requirements for each program service and role and prompts the user for only the information required. Some roles do not require any additional information, whereas others require identity proofing and/or additional information processing. The following sections will walk through how a user will register for different program services.

3.2 CDX Homepage

The CDX homepage is the landing screen from which you have the ability to access and interact with CDX. The CDX home screen can be accessed by the following link: https://cdx.epa.gov, and provides the user with the following features:

- **Log In:** If you already have a CDX account, you may log into the system by entering your user identification (ID) and password information and clicking the ‘Log In’ button located on the right-hand side of the screen.

- **Registration:** If you do not have a CDX account, click the ‘Register with CDX’ button to begin the registration process outlined later in this section.

- **Welcome Announcement:** This text area provides welcome text that is visible to all users who visit CDX.

- **Important Alerts:** The alerts in the ‘Notices’ box that appear below the ‘Welcome Announcement’ provide you with system or program-specific information. The ‘Notices’ box will only appear if there are any alerts regarding CDX.

- **Warning Notice and Privacy Policy:** The ‘Warning Notice and Privacy Policy’ statements are displayed on the CDX homepage providing you with a list of the terms of use for the CDX system, whether you decide to log into, or register with the system.

CDX Core Registration for Primary Submitters

To begin the registration process, click the ‘Register with CDX’ button that displays in the CDX header on the main CDX navigation screens as listed in Section 3.

4.1 PSP User Roles

PSP supports two roles: Primary Submitter and Authorized Agent. Primary Submitters can sponsor Authorized Agents to submit on their behalf. Authorized Agents must first be sponsored by a Primary Submitter before they can register through CDX. Please refer to Section 4.1.1 below for more information about the different PSP roles. For more information about role sponsorship please see Section 8.

4.1.1 Primary Submitter

Primary Submitters serve as the primary point of contact for a company. Primary Submitters have the following attributes:

- Can sponsor Authorized Agents to submit on their behalf.
- Can revoke an Authorized Agent’s access to the PSP application.
- Can see all packages created for their company. However, to view the details of these packages, they must obtain the passphrase used to encrypt the package. Note: A passphrase is needed to view all created packages. Neither Primary Submitters nor Authorized Agents may view the details of a package without the package’s passphrase.
- Can prepare and submit packages on behalf of their organization.
- Can submit responses to DCIs.
- There can be multiple Primary Submitters for a company.
- Can add EPA companies and submit for multiple companies.

4.1.2 Authorized Agent

Authorized Agents have the following attributes:

- Must be sponsored by a Primary Submitter.
- Can only see the packages they created.
- Can submit responses to DCIs.
- Can prepare and submit packages on behalf of their organization.
- There can be multiple Authorized Agents for a company.

4.2 Terms and Conditions

After clicking the ‘Register with CDX’ button, the CDX ‘Terms and Conditions’ screen (see Exhibit 4-1) displays the following terms and conditions:
• Acceptance of warning and privacy policies.
• Choosing a complex password.
• Protecting your password.
• Notifying CDX of possible misuse of account.
• Limiting distribution of CDX software.
• Agreement to notify CDX of changes in duties.

You can accept the terms and conditions by selecting the ‘I Accept’ radio button and clicking the ‘Proceed’ button. You can also cancel the registration by selecting the ‘I Decline’ radio button and clicking the ‘Proceed’ button or by clicking the ‘Cancel’ button. Once you have accepted the registration agreement, the application redirects you to proceed with the registration process. If you do not agree to the terms and conditions, you will not be able to continue with the registration process.

Exhibit 4-1 shows a screen capture of the CDX ‘Terms and Conditions’ screen:

![Exhibit 4-1: CDX Terms and Conditions Screen](image)

**Navigation:** Click the ‘I Accept’ radio button and click ‘Proceed’.
4.3 Program Service

The ‘Program Service’ screen is the first step in the registration process and is indicated in the breadcrumb bar at the top of the page.

The ‘Program Service’ screen displays a list of available program services from which you can choose (see Exhibit 4-2). You may filter the open program service list by typing the program service name or other related program metadata in the text bar (see Exhibit 4-3). You can select a program by clicking the program name (e.g. ‘PSP: Pesticide Submission Portal’). The selection on this page will determine the information you must enter on subsequent pages.

The search component provides an enhanced search capability that instantly displays search results as search criteria and keywords are entered by the user. For example, typing the word ‘psp’ will display ‘PSP: Pesticide Submission Portal’ in the search results. The system will take you to the ‘Role Access’ screen once you select the program service.

Exhibit 4-2 shows a screen capture of the ‘Program Service’ screen:

**Navigation:** Enter ‘PSP’ in the ‘Active Program Services List’ field and select ‘PSP: Pesticide Submission Portal’.

### 4.4 Role Access (Primary Submitter)

The ‘Role Access’ screen is the second step in the registration process. It will be highlighted in the top breadcrumb bar. Completed steps are indicated with a checkmark. You are also able to navigate back to the first step by clicking the ‘Program Service’ step in the top breadcrumb bar.

The CDX application allows programs to define user roles that can be selected during registration. After selecting ‘PSP: Pesticide Submission Portal’ on the ‘Program Service’ page, the ‘Role Access’ screen will appear and will allow you to register for the Primary Submitter role.

Select the ‘Primary Submitter’ role from the dropdown and click the ‘Request Role Access’ button.

After clicking the ‘Request Role Access’ button, a ‘Company Number’ field will appear. Enter the EPA Office of Pesticide Programs (OPP) Company Number for the company you will be submitting for and click the ‘Next’ button. If you do not know the EPA OPP Company Number for your company, please follow this link for instructions on how to obtain a Company Number.
If you entered a valid company number, an organization name and address will be returned for the specified company number. If the organization you see is not the correct organization, you may click the ‘click here’ link to re-enter a different company number. If the system cannot find a company that matches the entered number, an error message will be displayed.

Exhibit 4-4 shows a screen capture for the first part of the ‘Role Access’ screen:

Navigation: Confirm the organization displayed on screen. If the organization displayed is incorrect, click the ‘click here’ link to enter another company number. If the displayed organization is correct, click the ‘Next’ button.

4.4.1 User and Organization Information

The ‘User and Organization’ screen is the third step in the registration process. It will be highlighted in blue on the top breadcrumb bar. Completed steps are indicated with a checkmark. The ‘Registration Information’ summary section is at the top and is updated with the selections being made. You will also be able to navigate back to the previous steps by clicking the corresponding step.

Both the user and organization information are captured on the same screen. The information entered in this portion of the registration process is used to support account validation and establish levels of assurance.
All new CDX users will be required to activate their account after these registration steps by following the instructions sent to the email address provided during the registration process for their specified organization.

Since additional identity proofing is required, you will be prompted to either use LexisNexis identity validation or sign a paper Electronic Signature Agreement (ESA). This prompt will occur after your initial login to the system.

4.4.2 Part 1: User Information

The ‘User Information’ section collects the following information (see Exhibit 4-5):

• User ID (required)
• Title (required)
• First Name (required)
• Middle Initial
• Last Name (required)
• Suffix
• Password (required)

• Security Question 1 (required)
• Security Answer 1 (required)
• Security Question 2 (required)
• Security Answer 2 (required)

**4.4.4 Confirmation Email**

Once you have submitted your core registration information and reached the ‘Confirmation’ screen, an email will be sent to the email address you entered for the organization that you registered for on the ‘User and Organization’ screen (see Exhibit 4-10). The email will contain the account confirmation and the additional instructions. Once you receive the email, click the activation link. The link will take you to the CDX login screen where you will be asked to enter your user ID and password.

4.5 Logging in to MyCDX for New Users

Once you have clicked the activation link in the confirmation email, you will be taken to the CDX login screen (see Exhibit 4-11). If you try to log in prior to clicking the confirmation link, you will be taken to the user account completion screen where you can request another verification email to be sent to the email address on file (see Exhibit 4-12). If you enter the wrong validation code, or if the validation code has expired, an on-screen message will appear notifying you to contact the CDX Help Desk (see Exhibit 4-13).

After the correct information is accurately entered, you will be taken to the next screen to complete PSP’s registration requirements.

5 Additional Verification

After you log into CDX from the activation link, you will be redirected to the screens for the additional information required for your PSP role.

5.1 Identity Verification Process

You will be given the option to use the electronic identity verification process (see Exhibit 5-1) or the paper identity verification process. The CDX registration process provides an electronic identity verification service through LexisNexis, which is a third-party service that verifies a user's identity. If you choose to proceed with the electronic verification process, click the check box and click the ‘Proceed to Verification’ button.

The LexisNexis service will launch a new window, which navigates a user away from CDX to collect additional Personally Identifiable Information (PII) that CDX does not store or use. If you choose not to utilize LexisNexis and click the ‘sign the paper form’ link (see Exhibit 5-1), CDX will proceed to the paper processing option and instruct you to print, sign, and mail identity proofing documentation.

The ‘LexisNexis Data Collection’ window will display fields for a user to enter in PII information (see Exhibit 5-2). You must provide the necessary PII for LexisNexis to complete the identity validation.

You will be redirected back to CDX after submitting the information and one of the following scenarios will occur:

1. You successfully validate to the minimum standards. After clicking the ‘Continue’ button, the system will direct you to set your 20-5-1 questions and allow you to electronically sign the ESA (see Section 5.2.1).
2. You unsuccessfully validate to the minimum standards after clicking the ‘Continue’ button. If your user identity proofing failed, you can only sign the paper ESA.
3. You choose to sign the paper ESA by clicking the ‘Continue’ button without submitting the LexisNexis form and clicking the paper ESA link (see Exhibit 5-3).
4. You choose to discontinue the registration process by clicking the ‘Cancel’ button on the ‘Additional Verification’ screen (see Exhibit 5-1). You will be sent the paper ESA in your MyCDX inbox. You must contact the CDX helpdesk for further information to obtain access to the program role requested.

5.2 CDX Electronic Signature Agreement (ESA)

If you do not have a current ESA, you will be prompted to sign an ESA, which can be signed electronically or manually. The following sections provide more detail about each option.

5.2.1 Electronic CDX Electronic Signature Agreement (ESA)

CDX provides twenty questions to choose from which will help validate your identity. You will be prompted to enter Cross-Media Electronic Reporting Regulation (CROMERR) questions after you have successfully passed LexisNexis identity proofing or have been approved via the help desk.
You will choose five questions and provide answers for each. You will not be allowed to select and provide duplicate questions or answers. The questions that you select should be easy for you to remember, but difficult for someone else to guess. You will be required to answer one of these five questions upon submitting any packages within PSP. You will be prompted with a question randomly chosen by the system during the signing process. **Important:** It is important that you remember the answers to these five questions. If you forget the answers and lock your account after three unsuccessful tries, you will have to call the CDX Help Desk to reset the answers.

If you pass LexisNexis validation and choose to sign the ESA electronically, the system will verify that the CROMERR 20-5-1 questions and answers have been set. If the questions and answers were previously set, you will be directed to a page to view the ESA. If these have not been set, you will be directed to a page to provide five questions and answers before proceeding to the ESA page (see Exhibit 5-6). The questions must be completed before you can electronically sign the ESA. Click the ‘Save Answers’ button after providing the questions and answers. You will receive an email confirmation of your 20-5-1 questions to both your provided email address and MyCDX inbox. **Important:** For security purposes, the answers to these questions will not be sent to your MyCDX inbox or email address. It is important that you remember the answers to these five questions. If you forget the answers and lock your account after three unsuccessful tries, you will have to call the CDX Help Desk to reset the answers.

After you complete the 20-5-1 question process, review the ESA, and click the ‘Sign Electronically’ button, the system will launch the CDX CROMERR widget. As part of the CDX CROMERR widget process, you will be required to re-validate your user ID and password, provide the answer to one of the 20-5-1 questions, and officially sign the ESA (see Exhibit 5-7, Exhibit 5-8, and Exhibit 5-9).

When you officially sign the ESA, a copy of the ESA, along with your electronic signature, is stored in the CDX CROMERR archives. A copy of the ESA is also sent to your MyCDX inbox.

If you choose the paper ESA process, the questions will not be displayed in CDX until your program service role has been activated. After your role has been activated, you will be prompted to provide your questions and answers before being able to navigate to the ‘MyCDX’ landing page.

5.2.2 Paper ESA

If you do not wish to leverage the LexisNexis process or are unable to be properly validated to meet the minimum requirements, you will be required to follow the existing paper ESA process. The paper process allows you to print the ESA, provide a wet ink signature, and mail the signed ESA to EPA. A copy of the ESA form will be saved in your CDX ‘Inbox’ for future reference and reprinting.
Exhibit 5-10 shows a screen capture of the ‘Paper CDX ESA’ pop-up window:

5.3 RMAM Approval

For PSP, a user must wait for a RMAM, an individual responsible for the approval of program service role access requests, to grant access to the role. In this case, the user will not be able to do anything beyond entering registration information. If you have any issues waiting for the approval, you will need to reach out to the point of contact for PSP.
5.4 Registration Notifications

After completing the registration process, you will receive confirmation of successful registration (see Exhibit 5-11). If you choose the paper ESA option, you will receive a confirmation email when your role has been approved (see Exhibit 5-12).

5.5 Access PSP

Once your account has been activated, you can access PSP via the ‘Primary Submitter’ or ‘Authorized Agent’ role link within the ‘Role’ column on the ‘MyCDX’ page (see Exhibit 5-13 below).

Exhibit 5-13: Access PSP
6 Managing User and Organization Information

Once you have entered registration information and activated the user account, you may perform various functions such as adding additional organizations to a username, modifying user information, or adding additional program services to a username.

6.1 Managing Organization Information

If necessary, a user is able to add additional organizations that may be associated with a username. The new organization will then be added to the ‘Organization Details’ section. During subsequent logins, a user will be able to select the organization for which they would like to submit for.

To add additional organizations to a username, click the ‘Modify User / Organization Information’ button on the ‘My Profile’ tab that displays after logging in. A user can then choose to either search for an existing organization to add or request a new organization to be added. **Note:** When searching for the organization, please note that the organization ID is a CDX specific identifier; it is **not** the OPP Company Number. If a user chooses to add a new organization, populate the required organization contact information and click the ‘Submit Request for Access’ button.

The additional organization then displays in the ‘Organization Details’ section of the ‘My Profile’ page.

6.2  Add PSP to an existing CDX Account

Users may need to submit forms under several different program services. The following sections provide more details regarding how multiple program services can be added.

6.2.1  Adding Program Services

You may add a program service, such as PSP, and associate a program service with a current organization or a new organization.

CDX provides twenty questions to choose from which will help validate your identity. You will be prompted to enter CROMERR questions after you have successfully passed LexisNexis identity proofing or have been approved via the help desk.

You will choose five questions and provide answers for each. You will not be allowed to select and enter duplicate questions or answers. The questions that you select should be easy for you to remember, but difficult for someone else to guess. You will be required to answer one of these five questions upon submitting any forms that utilize the CROMERR widget for electronic signatures. You will be prompted with a question randomly chosen by the system during the signing process.

If you pass LexisNexis validation and choose to sign the ESA electronically, the system will verify that the CROMERR 20-5-1 questions and answers have been set (see Section 5.2.1). If the questions and answers were previously set, you will be directed to a page to view the ESA (see Exhibit 6-10). If these have not been set, you will be directed to a page to provide five questions and answers before proceeding to the ESA page. The questions must be completed before you can electronically sign the CDX ESA or sponsor letter. You must click the ‘Save Answers’ button after providing the questions and answers. You will receive an email confirmation of your 20-5-1 questions to both your provided email address and CDX inbox.

After you complete the 20-5-1 question process, review the ESA, and click the ‘Sign Electronically’ button, the system will launch the CDX CROMERR widget. As part of the CDX CROMERR widget process, you will be required to re-validate your user ID and password, provide the answer to one of the questions, and officially sign the ESA.

When you officially sign the ESA, a copy of the ESA, along with your electronic signature, is stored in the CDX CROMERR archives. A copy of the ESA is also sent to your CDX inbox.

If you choose the paper ESA process, the questions will not be displayed in CDX until your program service role has been activated. After your role has been activated, you will be prompted to provide your questions and answers before being able to navigate to the ‘MyCDX’ landing page.

**Important:** If you have already passed identity proofing with another program service and organization, you will not have to pass LexisNexis verification again. You will instead be navigated to signing an ESA for the new organization and role (see Exhibit 6-10). After signing the ESA, you will be able to access PSP.

**Important:** If you are adding PSP to an organization for which you have already signed an ESA, you may not have to sign an ESA again (since the identity proofing requirements for each
program service may be the same). In this case, after clicking the 'Submit Request for Access' button on the 'Organization Information' screen (see Exhibit 6-9), you will be navigated to the 'Manage Program Services' screen. You will receive a message stating that the program service has been successfully added to your organization, and you will be able to access PSP.

### 6.2.2 Request Role Access

After selecting PSP on the ‘Program Service’ screen, the next step will be to select ‘Primary Submitter’ as the role. Again, you may only register as a Primary Submitter; the Authorized Agent role must receive a sponsorship request and cannot register through this method.

After selecting your role, click the ‘Request Role Access’ button and then enter the EPA OPP Company Number that you will submit for.

**Exhibit 6-8: Role Access Screen**

**Navigation:** Select ‘Primary Submitter’ from the ‘Select Role’ dropdown and click the ‘Request Role Access’ button. Enter the correct OPP company number on the subsequent screen and click ‘Next.’

6.2.3 **Organization Information**

The ‘Organization Information’ screen is the last step in adding a new program service. The organization information is read-only and cannot be edited. **Note:** The ‘ZIP/Postal Code’ field is the only part of the organization information that is editable. You may change the zip code if it does not pass validation when clicking the ‘Submit Request for Access’ button. Please ensure you enter a valid zip code. Enter your information into the ‘Email’ and ‘Phone Number’ fields. After all required fields have been completed, click the ‘Submit Request for Access’ button to complete your request.

7 Manage Program Services

You can access the ‘Manage Program Services’ screen by clicking the hyperlink above the table listing your program service roles on the ‘MyCDX’ tab (see Exhibit 7-1).

The ‘Manage Program Services’ link allows you view all of your roles in the system for your specific organization as well as the current statuses of these roles (e.g., active, awaiting approval, deactivated). You can also request to add new roles and program services to an existing organization.

From this page, you will have the option to edit or deactivate the roles in the list. If you deactivate a role in the list, you must provide confirmation in the pop-up window (see Exhibit 7-2). The ‘OK’ button will deactivate the chosen role. The ‘Cancel’ button will close the pop-up box and no action will be taken. Once a role has been deactivated, it cannot be reactivated and you will need to request to add the role to the program service again.

8 PSP Role Sponsorship

Primary Submitters can sponsor Authorized Agents to submit PSP packages on behalf of their company. Sponsorship can only be initiated by the Primary Submitter, and both the Primary Submitter and Authorized Agent will have to review and accept the sponsorship request.

8.1 Role Sponsorship

As a Primary Submitter, click the ‘Role Sponsorship’ tab to identify a new or current user who will serve as an Authorized Agent.

The ‘Role Sponsorship’ screen displays various options available, including initiating the role sponsorship process, approving/denying sponsorship requests, and viewing/modifying existing privileges.

![Exhibit 8-1 Role Sponsorship Screen](image)

8.2 Role Sponsorship/Invitation

The ‘Role Sponsorship/Invitation’ screen is the next step in identifying a user to sponsor as an Authorized Agent for PSP.

In the ‘Step 1: Recipient Information’ field, a Primary Submitter enters the email address of the user to sponsor as an Authorized Agent.

In the ‘Step 2: Sponsorship Information’ field, a Primary Submitter selects PSP and selects ‘Authorized Agent’ from the ‘Role’ drop-down menu.

Click the ‘Submit’ button to navigate to the ‘Role Sponsorship Review’ screen (see Exhibit 8-3).
Exhibit 8-2 shows a screen capture of the ‘Role Sponsorship/Invitation’ screen:

8.2.1 Role Sponsorship Review

The ‘Role Sponsorship Review’ screen displays the details of the role sponsorship, including the program service, user role, and email address of the identified Authorized Agent.

The Primary Submitter will indicate whether the provided email address is correct or incorrect and provide updates if necessary.

To proceed with the role sponsorship process, select the ‘Yes, the provided email address is correct’ radio button and click the ‘Submit’ button. If you select the ‘No, the provided email address is incorrect and must be updated’ radio button, click the ‘Back’ button and re-enter the agent/consultant user information. A pop-up window displays to confirm the email address of the specified Authorized Agent (see Exhibit 8-4). You must enter the email address of the specified Authorized Agent before the application generates the email invitation. Multiple confirmations are required to confirm email address accuracy.
Click the ‘Confirm’ button to generate an email that will be sent to the identified Authorized Agent. The Authorized Agent will receive an email to review or cancel the sponsorship request (see Exhibit 8-5). As a Primary Submitter, you will be sent a copy of this email for your records (see Exhibit 8-6). Click the ‘review this sponsorship’ link within the email to generate the ‘Sponsorship Information’ screen. Click the ‘cancel this sponsorship request’ link within the email to cancel the sponsorship request (see Exhibit 8-5).

8.2.2 Sponsorship Information

The ‘Sponsorship Information’ page displays when a potential Authorized Agent clicks the ‘review this sponsorship’ link within the Authorized Agent sponsorship email. A potential Authorized Agent has the option to log into an existing account, or create a new account.

If a user chooses to create a new account, they should click the ‘Create New Account’ button on the ‘Sponsorship Information – Log-In’ page (see Exhibit 8-7).

If a user chooses to log into an existing account, they should select the user ID from the ‘User ID’ drop-down menu, enter the password, and click the ‘Log In’ button to log into their CDX account. This displays an additional ‘Sponsorship Information’ page where a potential Authorized Agent must approve or reject a CDX official’s request to view their contact information; to sponsor them for the corresponding Authorized Agent role (see Exhibit 8-8).

After clicking the ‘Request Role Access’ button, the Authorized Agent will be navigated to the ‘Role Access’ screen. The Authorized Agent will be able to search by company number on this screen. They should search by the same company number that the Primary Submitter is sponsoring them for.

**Important:** Please ensure that you search by the *exact* same company number that the Primary Submitter is sponsoring you for. The company number that the Primary Submitter sponsored you for can be found on the previous screens (see Exhibit 8-8). It can also be found within the various sponsorship emails.

Exhibit 8-10 shows a screen capture of the ‘Role Access’ screen:

Enter an OPP Company Number and click the ‘Next’ button. After clicking the ‘Next’ button, the Authorized Agent will be navigated to the search results for the ‘Role Access’ screen. Exhibit 8-11 shows a screen capture of the ‘Role Access’ search results screen.
Confirm the read-only organization information displayed. If the organization information is correct, click the ‘Next’ button. If the organization displayed is not correct, click the ‘Click here’ link in order to re-enter your Company Number.

After clicking the ‘Next’ button, the Authorized Agent will be navigated to the ‘Account Registration’ screen. Exhibit 8-12 shows a screen capture of the ‘Account Registration’ screen (scroll 1). Exhibit 8-13 shows a screen capture of the ‘Account Registration’ screen (scroll 2):
