Jared Blumenfeld
Regional Administrator
USEPA Region 9
75 Hawthorne St.
San Francisco, CA. 94105-3901

Dear Mr. Blumenfeld:

Thank you for inviting our Tribe to submit a designation recommendation for the revised primary NAAQS for NO₂. At this time we will recommend a designation of “unclassifiable”, as we have not collected enough NO₂ data to establish our designation status.

We intend to resume NO₂ monitoring in the near future which should eventually allow for an informed designation.

Sincerely,

Joann Lijek
Air Quality Specialist
