X	Oregon	11/96	Approved	7/10/97, 9/18/97			
	Washington	1/99	Approved	7/30/99			

Notes:

(a) Abbreviations:

“SP” means Section 111(d)/129 State Plan

“FR” mean Federal Register

“EPA” means the U.S. Environmental Protection Agency

(b) All existing large MWC units in this State are regulated under the Part 62 Subpart FFF Federal Plan for large MWC units until and unless an applicable State plan is submitted to and approved by EPA.

(c) “Fed Plan Delegation” means this State (NJ) has requested and received delegation of enforcement authority of the Part 62 Subpart FFF Federal Plan for large MWC units, in place of development of a State Plan.

(d) Lists the date this State (NJ) requested delegation of the Federal plan or lists the date this State received delegation of the Federal plan.

(e) Unless an MWC is located in a State listed with an approved SP under “2006 SP requirements”, an MWC remains regulated under the 1995/1998 SP requirements.
