RE: West Virginia
Revised Total Coliform Rule
Primacy Crosswalk Application

Dear Mr. Garvin:

The final primacy package for the adoption of the Revised Total Coliform Rule in West Virginia was submitted to the Drinking Water Program, specifically Ms. Kelly Moran, via electronic mail today, as per the steps outlined in the extension agreement. The package included the required crosswalk, Attorney General's Statement, a copy of the revised *Public Water System* Regulations that adopt this rule by reference and the relevant procedures associated with the primacy of this rule.

Thank you for your consideration of this request. If you have any additional questions or concerns regarding this matter, please do not hesitate to contact me via the information below.

Very truly yours,

Walter M. Ivey, Director
Office of Environmental Health Services
